**Captains Report:**

It's great to see so many people playing bowls this time of year all to do with the roof normally the club would be empty when it rains.

In my absence with work if anyone has any issues that needs my attention please see the Men's Vice Captain, ( Connor Biddle) as he has my full support that in my absence he is the Men's Captain and he's decision is final

Our men's carnival is fast approaching and all that are participating I wish you all the best .

**Deputy Captains Report:** No report

**Match Report:**

Scott reported that he had a very constructive meeting with the representatives of the ladies match committee, and that between them they have concluded the programme of events for the coming year.

**Selection Report:**

However, an informal game against Rockingham BC was held on August 3<sup>rd</sup>, and a return match is scheduled for Saturday 7<sup>th</sup> August at Rockingham ground.

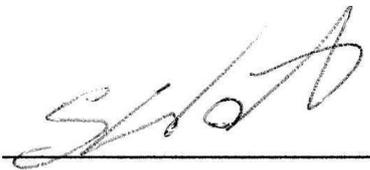

**General Business:**

- To read through the club By-Laws to see if there are any changes that are needed.

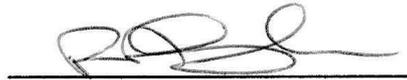

- A directive from the executive committee that anyone wishing to be a club coach, that they have to go through the Head Coach Willy Tan first.
- It was brought to the attention that some of the club executive committee are not receiving a copy of the Mens Committe Minutes. This has been attributed to a glitch in the length of the characters in the email address,
- For Thursday Pennants, The greens need to be frre by 11 am to facilitate the watering of the greens to enable the new start time of 12.30
- The Ladies want the men's Tuesday's Pairs competition not to start until the Ladies Tuesday Pennant teams have completed their game. A general discussion was held around the table and it was felt by all present that this was an unreasonable request as this is in effect a completed shutdown of the unoccupied greens. And as such the request will not be accepted

The next meeting of the Men's Bowls Committee is Tuesday September 3<sup>rd</sup> @ 4:45 pm.

With no further business the meeting was closed at 5.07 pm.
