

Management Committees Report 11.10.2020

Kitchen Convenor. Vera is starting to find the job easier and is getting more involved in the running of the kitchen and Vera has asked Trevor the correct way to use the dishwasher and Trevor has put up a list on how to work the dishwasher, Vera has also asked some men to volunteer to change the oil in the deep fryer and she thanks them very much. Vickie our cook is doing a great job and Vera and Vickie have formed a good working relationship.

Greenkeeper. Ken has changed filters and oil on greens machinery, completed the lines in colour on A and B greens and evened out the sand in the ditches fixed the sprinkler on B green and also fixed the door on the men's outside toilet, Ken has also contacted Port Kennedy mowers for the price of a new sprayer. Ken at the moment is too busy to paint the benches so if anybody would like to "volunteer" to paint them please see Ken. And Ken is trying a new way of removing large spots of algae on the greens.

House. Trevor has replaced lights as required and replaced storage door cupboard and installed disco light above the bar to notify the volunteers for help during busy times. Trevor has also fixed the Bainmarie in BBQ area that was left on all weekend and put notice up for operation use. Trevor has also installed sponsors frame above the bar and moved the Pennant flags and has also installed the new LED sign for the Friday night Jackpot which Ron has got working well with all the information on it and its very bright to see.

Next meeting at 1.00 pm on Monday 02 11 2020
