Reports:

Captains Report:

Hank had nothing to report but some GB later to bring up

Deputy Captains Report:

Nothing to report

Match Report:

Reg mentioned player numbers were low and the following players nominated as follows: 12 veterans, 20 in 100 up and 32 four fours (8 teams)

The plate to be played for the fours was discussed vigorously as to why it was to go ahead with so few teams and after it had been decided in years previously to be not played circa 2017

Reg discussed the fact of getting more player involvement in championships and how do we do that – nothing further gained

It was also mentioned re veterans only playing 18 ends and not 21 – further discussion required later

Triples to be played in November – Reg talked about imposing a ranking system to endeavour to get a greater number of participants involved who are concerned re stacked teams and are not interested once names are put on board

Selection Report:

Ross reconfirmed we will only fill three teams Saturday as well as three teams for mid week:

Saturday 1 white, 2 red and 4 red

Thursday premier, 1 blue south and 3 red

Early start round 1 Saturday competition re clashing with AFL grand final

Top two teams on Saturday to be on same swing, sixth division doesn't look viable due to lack of numbers

Moved: Tony

Seconded: Steve

General Business:

Hank confirmed plate in fours to go ahead this year but not necessarily going forward

Numbers of participants in championships discussed a little more maybe changing times played to mid week evenings to encourage more to play

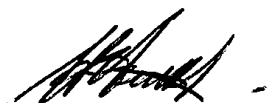

Reg brought up re plate again which was discussed a little more with no further resolve

Reg mentioned that Divorced pairs was now up on the board

Tony brought up re gardening issues and was told this was an executive matter and was referred to Roger for more information
